

March 11, 2010

Dear members

Citizens Restoring Congamond is planning several great events over this spring & summer season. First will be our membership drive April - June. Next will be the big one for the year, our 4th of July car cruise, concert and boat parade on Saturday, July 3rd. There are also a few other things "in the works".

There is a great amount work that is required behind the scenes planning and organizing in order to ensure success. In order to make these successful, we desperately need help. We have had many great volunteers in the past, and for that we are thankful, but most always all the tasks fall on the board members shoulders. We are asking for your help! We're not asking you to head-up anything or chair a committee (although that would be wonderful), just get involved and be part of it. You can help as little or as much as you like. All we ask is that you help.

There will be an organizational meeting on Thursday, March 18th at 7:00pm at Crabby Joe's to kick off the season. Please join us there and consider becoming part of this year's festivities and help your lake at the same time. If you've ever considered becoming part of the team, let this year be your chance. CRC is a vital part of keeping Congamond clean and safe but we need your help.

Jerry Crane

Pres. CRC

Citizens Restoring Congamond is a duly recognized non-profit 501(c) (3) volunteer organization dedicated to the protection and betterment of the Congamond Lakes.
