**Guest speaker***Dennis picard*

- Ice harvesting expert

- Talked to the group about the ice harvesting on congamond lakes

- They harvested ice on congamond for about 19 years

- Back in the day it was the 9th largest industry

- One of the first millionaires came from the ice harvest business

- The ice houses on the lake would keep ice for a period of 5-7 years

## *Tami Zawistowski*

- State representative from the 61st district stopped by to learn a little bit more about Babb's and the lakes

The members of the Congamond Lake Environmental Protection Organization gave an update presentation on the proposed re-opening of the sand pit strip mine on South Pond.

### **\*CRC IS FULLY BEHIND THIS CAUSE \***

- This has a chance of impacting everyone from NH to Northampton if they dig to deep

- The company that wants to open the sand pits has proposed to take 30 - 70 truck loads out a day with no route yet defined 6 days a week

- The main route to be used in and out is lake rd. in Suffield CT

- A total of 12 acres to be removed and dug 5 acres at a time

- They had a lawyer and she had to back out but they have a new one and he feels good about the case

- The group is asking everyone to spread the word and help with raising donation to pay for the lawyer

- Look for their story in the Suffield observer

- News 40 wggp did a story and mass live stays in touch with them

- They would like all Suffield residents to go to the town meetings and let there voices be heard on this

- They have said that they well come back and give updates on the progress at the next meeting

### **Motions made at meeting**

motion made to accepted minutes as corrected - Passed

Motion made to move \$5,000 from checking to the investment - Passed

### **Updates on past events and Upcoming events**
